

Making a Difference

Community Impact Gallery & Competition

The 49th Annual Awards and 7th Annual Community Impact Gallery & Competition is a unique opportunity to showcase your work to over 1,200 of your peers, partners and funders in the affordable housing community. The competition attracts a wide range of submissions, highlighting the collective impact that investment in affordable housing and community development has in communities across New York State.

This year's theme is Making a Difference. The competition will recognize projects that are truly making a difference in the lives of the families they serve and the communities they are part of.
