50TH ANNUAL AWARDS

NEW YORK HOUSINGCONFERENCE

PLANNING FOR CHANGE

Community Impact Gallery & Competition

The 50th Annual Awards and 8th Annual Community Impact Gallery & Competition is a unique opportunity to showcase your work to over 1,200 of your peers, partners and funders in the affordable housing community. The competition attracts a wide range of submissions, highlighting the collective impact that investment in affordable housing and community development has in communities across New York State.

This year's theme, **"Planning for Change"** focuses on the critical role of affordable housing in achieving a future that is more equitable and sustainable and the importance of using data to advance this goal. Planning for Change means eliminating exclusionary zoning to address both the supply shortage and a longstanding history of racial injustice. It means thoughtful leadership to steward equitable development that responds to community needs, plans for a changing climate, and benefits current and future generations.
