

Housing Costs Are Crushing NY Renters

- **2 million NY renter households are cost burdened.**¹ The median income for New York renters is \$56k, half that of homeowners*. Cost burden is the primary cause of housing insecurity.
- **New York's homelessness rate is double the national rate.** 158,020 people experienced homelessness in 2024.²
- **New York is not producing enough housing.** NY increased supply only 5.9% from 2012 to 2022, ranking 32 nationally in production. During this period of low supply growth, monthly costs grew rapidly for renters (39%) and homeowners (28%).³

HUD Help NY's Most Vulnerable Renters

- **67% are seniors, children, or people with disabilities.**⁴
- **\$23,675 is the average household income.***

HUD Assistance Helps Housing Stability!

- **1,069,400 New Yorkers are stably housed thanks to HUD programs,** including over 1 million living in cities and suburbs, and over 50,000 in rural areas and small towns⁴.
 - » Section 8 Housing Choice Vouchers help half a million New Yorkers stay housed, preventing evictions and buy necessities like food, childcare and healthcare.
 - » 482,000 New Yorkers live in HUD-assisted buildings including public housing, project-based Section 8 and housing for the elderly and disabled persons**.
- **In FY23, NY received \$140M in HOME used to fund senior and supportive housing and \$318M in CDBG to meet critical local housing needs including planning, code enforcement and emergency repairs.**⁵

LIHTC Expansion Can Help Spur Affordable Supply

The Low Income Housing Tax Credit (LIHTC) is critical to building and preserving affordable housing. Tax-Exempt Private Activity Bonds help financing 70-80% of affordable housing new construction and expansion will help New York's shortage of **711,403 affordable homes.**

Since 1986, the housing credit has:

- Built or preserved over 270,000 homes for 630,000 households
- Generated over \$52 billion in wages and business income and almost \$19 billion in tax revenue
- Supported over 462,000 jobs for one year***

District Housing Data

- 49% renter households are cost burdened.
- 26% spend half of income on rent*.
- Median renter income is \$45,699.

HUD KEEPS 112,814 DISTRICT RESIDENTS STABLY HOUSED

- 52,591 live in public housing
- 42,045 benefit from Section 8 Vouchers
- 16,277 live in Project-based Section 8
- 1,552 seniors & disabled persons in HUD 202 & 811 housing programs**

THE LOW-INCOME HOUSING TAX CREDIT DISTRICT IMPACT HAS GENERATED

- 26,629 homes and \$1.6 billion in tax revenue and \$4.48 billion in wages and business income and 39,990 jobs***
